

MEET THE...

teacher

WELCOME FAMILIES,

My name is Mrs. Conti and I want to welcome you to Preschool-Enrichment. This year you will see your child go through some amazing changes academically, emotionally, and physically. Mrs. Heidi Stacy will be the assistant for Preschool in the morning, and Ms. Grace Lape will be the Enrichment assistant in the afternoon. Your child will need a small snack (labeled) for Preschool, and a lunch for Enrichment. The Bento lunch boxes work best. However, if you have a favorite that is fine. Milk, water, and juice are provided.

I live in Canfield with my husband Allen. We have three grown daughters whom live out of state. I have been a member of the UPSK family since 2003. My positions over the years have included Director of After Care, as well as an assistant in Preschool, Transitional Kindergarten, and Kindergarten. In 2009 I developed the Enrichment Program for three and four year olds.
