

October News

Mrs. Contis 3's

We shared many exciting books centered around apples, pumpkins, fall, Halloween, and fire safety. The children loved the in-house field trip from the Canfield Fire Department. The show and share bags are a favorite! This reinforces our weekly lessons.

This month's Letter People:

Ms. Ff Funny Feet
Mr. Hh Happy Hair
Ms. Tt Tall Teeth

Pre-Writing: Bubble Names, Dab/Dot shapes, letters, numbers, LP Puppets.

Religion: "My Name is Special", "The Good Shepard Cares for the Sheep", "My Family Cares for Me", "All Saints". We celebrated the "Guardian Angel".

Math: Matching sets, square
Number formation 4,5,6

Vl correspondence
Colors: blue, purple, black

Science: Life cycles of the apple and pumpkin.

Enrichment: Our Spanish is expanding. We practice the numbers in the calendar 1-31, shapes, colors, "target words" (apple/manzana, tree/arbol, pumpkin/calabaza). Please remember, this is an introduction and progress will come slowly. We explored the many variety of apples, and tasted the difference (sensory). The children placed and counted apples (rolled playdough) on the laminate trucks. They love the sensory bins for an independent activity.
