

October News

Mrs. Cont's 4's

We shared many exciting books centered around apples, pumpkins, fall, Halloween, and fire safety. The children loved the in-house field trip from the Canfield Fire Department. The letter show and share bags are a favorite! This reinforces the letter sounds.

This month's Letter People:

Ms. Ff Funny Feet
Mr. Hh Happy Hair
Ms. Tt Tall Teeth

Writing: Letter pages, numbers, shapes, names (tracing/writing).

Religion: "We are Special", "The Good Shepard", "We are Kind", "All Saints". We celebrated the "Guardian Angel" with Mrs. Critell and school.

Math: V1 Correspondence
Number formation 4,5,6

Ten frames, matching sets
Square (4 equal sides)

Science: Life cycles of the apple and pumpkin.

Enrichment: Our Spanish is expanding. We practice the numbers in the calendar 1-31, shapes, colors, "target words" (apple/manzana, tree/arbol, pumpkin/calabaza). We explored the many variety of apples, and tasted the difference (sensory). After studying the life cycle of the pumpkin, we cut open pumpkins and investigated the many parts (shell, flesh, skin, ribs, stem, pulp, seeds). The children loved the pumpkin seeds they baked after cleaning them out of the pumpkin!
